Horsemen,

Please be aware that the North Dakota tracks, State Vet and Commission are now requiring health certs and temps to be completed within 72 hours prior to entering Chippewa Downs or the ND Horse Park.

The State Vet requests that anyone who plans on hauling in each weekend of the meets contact him prior to or during the first weekend of the meet to discuss.

In the event there are any questions please do not hesitate to contact myself, the tracks, or the State Vet.

Regards,
