## **EHV Warning**

Due to concerns about the national spread of EHV, the State is imposing quarantines on any facilities which test positive for EHV. You will not be able to remove or bring in any horses until 21 days after the last EHV symptoms are present. All horsemen must do their part to reduce the risk of this occurring. As a result of the high incidence of EHV at racetracks across the nation and the potential impact on the ND race season, the Commission is providing the following recommendations to horsemen to protect their horses and keep their meets open:

- If you claim a horse from an area which has had an outbreak, have it tested. Info on affected areas can be found here: <http://equinediseasecc.org/outbreaks.aspx>.
- Vaccinate your horse against EHV-1. This is not an absolute preventative, but can possibly reduce the severity of the infection and possibly prevent the death of your horse. Make sure to follow labeling/Vet directions and administer within the proper time period before the meet to have the desired effect.
- Check your horses' temperature before shipping. An elevated temperature of 102 degrees or more can indicate a potential infection and the need to consult a Vet.
- Follow biosecurity procedures before and during the meet. It is important to limit nose-to-nose contact with other horses and the sharing of buckets. These are the easiest ways for EHV to be transmitted. A copy of the USDA Biosecurity Brochure will be available at the track or can be found here:

[www.aphis.usda.gov/publications/animal\\_health/2011/bro\\_k\\_eep\\_horses\\_healthy.pdf](http://www.aphis.usda.gov/publications/animal_health/2011/bro_k_eep_horses_healthy.pdf).

As required by our rules, all horsemen must have current health certs and coggins on file with the race office. Be aware that a State Vet Field Investigator will be at the meets to check paperwork/horses. Anyone found without the appropriate paperwork will be subject to disciplinary action

by the Stewards and Commission. Any horses found to have EHV symptoms will be subject to further testing.

**Remember EHV can kill your horse and end the race season for everyone! Do your part to reduce the risks.**

## **GENERAL RULES**

1. The Racing secretary will develop a list of extra races for each race day in the place of races that do not fill based on horses on the grounds.
2. A Race is considered filled when (6) or more horses are entered. Races listed in the condition book with (6) or more entries will be run at the assigned time.
3. All extra races will be based on the types of horses that are available at the track during the race meet.
4. The Racing Secretary will base the decision on the races to be run on the highest number of horses on the grounds to compete in a race for the satisfaction of the betting public. North Dakota Horse Park will run races with the fullest fields possible in order to increase wagering handle and the horseman's benefit. North Dakota Horse Park reserves the right to refuse an entry.
5. All owners and trainers shall carry Workers' Compensation Insurance covering their employees. This rule is intended to include all individuals employed by owners and trainers involved in the training and racing of horses.
6. All personnel in the barn area must be appropriately licensed by the North Dakota Racing Commission prior to entering the barn area. Visitors' passes may be requested and will be given at the sole discretion of ND Horse Park Management.

# STALLS

- Deadline for stall applications is **JULY 14, 2016**.

A stakes nomination does not ensure a stall assignment.

- There will be a \$15 per start, starter fee.

- Stall rent is \$50 per horse. The renter will be charged for any stalls reserved and not canceled by **JULY 14, 2016**.

- Ship-In stalls are available. Please contact racing office for more information. Stall applications for ship-ins must be received by **JULY 14, 2016**.

HRND reserves the right to reassign any unclaimed stalls after deadline date.

- When applying for stalls, each horse must be listed with owner's name, complete address, and social security number. If not completed correctly, the application will be returned. Stall locations are based on first-come first-served at time of reservation, not based on previous year's locations.

- Management of HRND reserves the right to approve all stall assignments for all horses. Stall assignments will be enforced.

- **No dogs, smoking or alcohol in the barn area!**

The barns are located on the property of NDSU, Alcohol possession and consumption on the grounds is against the law.

- **No bulk straw or wood chips allowed in the barn!** Wood chips must be bagged for storage.

- Please keep and leave your stable area neat and

organized.

\* Because of issues from previous meets the following rules are added for 2016:

- Stalls that are uncleaned or not thoroughly cleaned when left will be assessed at \$10 per stall cleaning fee. This fee is the Racing Manager's discretion.
- Horsemen are responsible for keeping their manure bunkers clean and rid of any garbage not manure, shavings or straw. Any garbage thrown in your stall will result in a \$25 fine for every horseman in your 4<sup>th</sup> of the barn. **USE THE GARBAGE CANS AND DUMPSTERS PROVIDED!**

## **HEALTH AND HORSE REGISTRATION REQUIREMENTS**

- The North Dakota Racing Commission Administrative Rule: All horses must have a valid health certificate and a valid negative equine infections anemia test (Coggins Test) when arriving at the racetrack. No horse shall be stalled until a current negative Coggins Test is delivered to the Racing Office. The health certificate must be dated no later than (72) hours prior to arrival at the track.
- The State Vet requests that anyone who plans on hauling in each weekend of the meets contact him prior to or during the first weekend of the meet to discuss.
- **Due to recent outbreaks of Equine Herpes Virus in the region, The North Dakota Horse Park recommends all hoses receive an EHV-1 vaccination within 14 to 60 days of entry.**
- All heel-nerved horses must be reported to the Racing Secretary by the trainer when the horses' foal papers are

registered for racing.

- Veterinary Services

The State Veterinarian(s) will be available to provide private services as requested. Each horseman or horseman's representative will be presented with a receipt at the time services are rendered. The horseman or horseman's representative may sign the receipt to authorize payment for the services to be debited from the horseman's account. If the horseman or horseman's representative does not sign the receipt, payment will not be debited from the horseman's account. In such cases the horseman's account will be held until notified by the attending vet that payment for their services has been made.

- Race Day Lasix Administration

Any horseman requesting a horse be administered race day Lasix must complete the North Dakota Racing Commission form entitled **REQUEST TO USE LASIX** for each horse. The night before each race day the state veterinarian will post a schedule for administration of race day Lasix. It is the horseman's responsibility to be present at his stalls at the designated time. The schedules will be posted in the following locations:

- Main Barn – SOUTH AND WEST ENTRANCES

- "The North Dakota Racing Commission has adopted the ARCI Therapeutic Medication Schedule Version 2.1, Uniform Classification Guidelines for Foreign Substances and Recommended penalties Version 7.00. These rules can be found on the Association of Racing Commissioners International website <http://arcicom.businesscatalyst.com/index.html> A copy will also be provided for review upon request at the ND Racing Commission office."

- After horses have been registered at the Racing Office, listing their ownership, no horse will be transferred unless claimed during the meet without permission of the Stewards, who will require a notarized Bill of Sale from the registered owner.
- Horse registration papers will be held until all payments to the track are made in full.
- All races listed in Conditions for North Dakota-bred horses are considered "Certified North Dakota Bred". Registration papers carrying the certified ND-Bred stamp are required for entry in specified races.

- **69.5-01-02-05. Search and inspection**

The commission, through its employees or agents, or through employees of the association, so authorized by the commission, may search and inspect for prohibited medication, drugs, drug paraphernalia, or any electrical or mechanical equipment usable to affect the condition or racing condition of a horse or any item prohibited by these rules, at any time without notice. Such search and inspection may be made of the following:

1. Association stables, receiving barns, the paddock, jockeys' room, supply rooms, blacksmith, and similar service shops or areas, including living quarters or private vehicles located within enclosure of the association grounds; and
2. The person, employee, or agent of any licensee while upon the association grounds in the prescribed areas described in subsection 1.

- **69.5-01-05-03. License acceptance.**

Acceptance of the license or permit from the commission by any permittee or licensee is deemed a consent to search and inspection by the commission pursuant to these rules, and to

the seizure of any prohibited medication, drugs, paraphernalia, or devices.

## **ENTRIES AND RACE DAY RULES**

- Entry time will be 8 AM on each specified day  
Saturday races will enter on Wednesday  
Sunday races will enter on Thursday
- Entries will close at 12:00 PM each day.
- It is the prerogative of the North Dakota Horse Park to run races with the fullest fields in order to satisfy all betting and horsemen's interests. If a race has only (5) horses or less entered by 12:00 PM, the race will be canceled, as per HRND racing rules.
- Filled races (those with 6 or more entries) listed in the Condition Book have preference over extra races that have filled.
- In overnight races that are restricted to certified ND-bred horses, if the restricted race does not have at least (6) entries by 11:30 AM of entry day, the race will be opened to all horses meeting the other qualifying condition with the ND-bred horses preferred. This rule does not apply to stakes races.
- All fields will be limited to (10) horses based on 2016 preference system.
- Owners and trainers must claim correct allowances at the time of entry and are solely responsible if a horse starts with wrong weight and is, therefore, disqualified.
- Horses not drawing a starting position in the gate will receive a refund of entry box fee.

- Permission to change equipment must be secured at the time of entry. Changes to or from blinkers must be steward and paddock judge approved, flipping halter must be approved by the stewards.
- Owners or trainers are required to deposit jockey fees with the Horsemen's Bookkeeper PRIOR to post time on the day of the race. Failure to do so may result in the horse being declared disqualified.
- Claims must be deposited at least (15) minutes prior to post time for the race in which the horse to be claimed is racing. Funds to claim a horse must be in cash, cashier's check or certified check and must be deposited in the owner's account. Personal check will not be accepted for claiming purposes.
- **SCRATCHES:** In all overnight races with more than (8) horses, trainers shall have the right to declare out to that number by the specified scratch time, such right to be determined by lot when necessary. Declaration below (8) horses may only be made by permission from the Stewards. The Stewards will give notice that when only (8) horses or less are entered for a race or when a field of horses is reduced to (8) by reason of declarations, no horse will be excused except upon a report of disability by the official.
- All scratches must be made by 8 AM of the day following entry.
- Paddock entrance is restricted to owners, trainers, and their employees, and those involved with the conduct of racing at HRND. Any others wishing access or entrance to the paddock area must receive prior approval from the Paddock Judge, Stewards, or HRND Management.
- **PURSE DISTRIBUTION:** The following purse (except Stakes and Overnight Stakes) percentage distribution will be

in effect during the 2016 race meet:

- Purse percentages for the 2016 Race Meet are as follows:

#### Daily Races

1<sup>st</sup> – 50% 2<sup>nd</sup> – 25% 3<sup>rd</sup> – 12% 4<sup>th</sup> – 8% 5<sup>th</sup> – 5%

- Stakes races will pay out all positions based on the number of horses that have qualified and entered.

## **2016 PREFERENCE SYSTEM**

1. Preference dates will not supersede conditions of a race (winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office.
3. In stakes races, high weights preferred is determined based on a horse's earnings in 2015 & 2016.
4. All horses registered prior to 4:00 p.m. on **July 12, 2016** will receive a zero, which is the lowest possible date. A horse keeps their zero date until he/she runs or scratches.
5. All horses registered after 4:00 p.m. on **July 12, 2016** will receive an "R" date of the day registered.
6. A zero has preference over a running date.
7. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This includes stakes and handicaps.
8. Horses which scratch or are scratched will keep their preferences as if they had run.
9. All horses placed on the Stewards; Veterinarians, or Starters list will be posted on the bulletin board. They will

not be permitted to enter until they have been approved to start. Horses placed on these lists will keep their dates as if they ran the particular race in which they made the list. Horses which are scratched will be given a date for the day the horse comes off the list.

10. Horses which have established a date at the current meeting will not lose that preference date should their papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership or clarification, etc.). The Racing Secretary may determine the status of the preference date established.

11. Preference dates are good at any distance.

12. The claiming of a horse, ownership transfer, or trainer transfer of a horse does not affect the preference date assigned to him/her. In the fourth and the eighth rules specified above, if a horse is registered or comes off a list on a non-racing day, the next day will be used.

13. When a horse's name appears in a race, other than a stakes, and is entered for the following day, such an entry will be given no consideration should the race in which it is entered overfills.

14. Maidens entered against winners will receive least preference.

15. Horses on the also-eligible list one day and in the body of a race the following day will be automatically scratched from the also-eligible list.

16. It is the responsibility of the person making an entry to claim preference at the time of entry. The Stewards will consider no claims that do not comply with the above regulations.

## **NAMING OF RIDERS**

- Any authorized person entering a horse in any given race shall, at the time of making such entry, name the jockey for said horse.
- A rider may be named on two horses in a race provided one is on the also-eligible list. A coupled entry shall be considered one horse for the purpose of this rule. The names of all jockeys who are to ride shall have alongside their names on the overnight (1) indicating first call, and (2) indicating second call. In the event of conflicting claims for a jockey's services, whether for a specified race, for the meeting, or other period of time, only those in writing and filed with the Racing Secretary shall be considered valid by the Stewards. A jockey may have two calls on the also-eligible list and none in the body of the race. The Stewards will name a jockey on all open horses. If the jockey agent does not designate first and second call at the draw, the jockey will be removed from their mounts in that race except for apprenticeship.
- Apprentice allowances waived at the draw cannot be reclaimed at scratch time. Trainers must have an apprentice jockey engaged before claiming the apprentice allowance.
- Jockeys having engagements to ride must be in the Scale Room (1) hour prior to post time for the first race.
- Any jockey taken off mounts due to illness or injury is not eligible to be named on horses until approved by the Stewards. Any jockey engaged to ride any horse is bound to fulfill his/her engagement unless excused by the Stewards. Should a rider become injured or ill on the way to the post or at the gate and the Stewards shall designate a substitute rider, such rider will fulfill the order of the Stewards and complete the engagement on the horse.

# **STAKES RULES**

- Nominations and sustaining payments must be postmarked by the date specified. The U.S. Postal Service stamp indicating the date of the mailing shall be validity of the date of any nomination or sustaining payment.
- There will be no refund of accepted fees for nomination unless the race is canceled or drawn out.
- Any checks dishonored or returned by the bank for any reason shall cancel eligibility. Only HRND issued checks will be cashed on site (\$500 maximum).
- The decision of the race Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in Trials and/or Stakes agree to abide by the decision of the Steward.
- Added money in all Stakes and Feature races will be reduced if there is less than (6) started in the gate. Reduction will be at the discretion of the track management.

- Any discrepancies will be settled by the NDTA Board of Directors. • Any insufficient funds check will automatically cancel your nomination.
- If less than 7 starters, only the number of places run will be paid out.
- If less than 4 enter, the race will be cancelled.
- If the race is not run, only those still eligible at the time of cancellation will be refunded their individual nomination fees less 10% retainage.
- Transferring ownership of an eligible horse, regardless of the new address of the new owner, does not affect the eligibility of the horse, providing the new owner is a member

## **WORK AND FIRST-TIME STARTER RULES**

- No horse may be started unless the horse has raced or has an approved timed workout satisfactory to the Stewards. Such workouts must have occurred on the grounds of a licensed pari-mutuel facility within the previous (30) days. A horse which has not started for a period of (60) days or more is ineligible to race until it has completed a timed workout satisfactory to the Stewards prior to the day of the race in which it is entered. No horse may be taken onto the track for training or a workout except during hours designated by the association.
- For any Quarter Horses racing around the turn, each must have a previous out around the turn without issues, or an official timed workout around the turn. If it's deemed that a horse previously had issues with the turn, it will be required to have an official timed workout around the turn.
- First-time starters must have gate approval prior to entry, and a minimum of (2) timed workouts, one of which must be

out of the gate within (60) days prior to the race in which it is entered.

- The Timer or the Stewards may require any licensee to identify a horse in the licensee's care being worked. The owner, trainer, or jockey may be required to identify the distance the horse is to be worked and the point of the track where the workout will start.
- If the Stewards approve such timed workout so as to permit the horse to run in a race, they shall make it mandatory that this information is furnished to the public in advance of the race including, but not limited to the following means: announcement over the track's public address system, transmission on the track's message board, posting in designated conspicuous places in the racing enclosure and exhibit on track television monitors at certain intervals if the track has closed television. If the workout is published prior to the race in either the Daily Racing Form or the track program then it is not necessary to make the announcement.

## **JOCKEY AND RIDER SAFETY**

1. As soon as a problem with the condition of the race track or hazardous weather is identified as a safety risk, the jockeys must immediately notify the race track officials and stewards.
2. **Lightning:** The jockeys should not be asked to leave the paddock when lightning storms are in the immediate vicinity. The jockeys, trainers, and track management should attempt to complete the racing card if reasonably possible, after the storm system has cleared the area.
3. **Unsafe Track Conditions:** The stewards shall notify the track manager of any problem concerning the safety conditions of the race track. The track manager will try to rectify the situation as soon as possible.
  - a. As soon as the problem has been addressed, the track manager, the jockeys, the trainers, and management will physically review the area in question. If all are in agreement that the problem is corrected, racing will proceed. If any one of the aforementioned groups is still not satisfied, the jockeys will give the track manager additional

time to correct the problem.

b. A vote by the jockeys will not take place until the race track has had the opportunity to correct the problem. Should the jockeys remain unsatisfied after the track manager has attempted to correct the problem, a vote will be taken by the jockeys who are scheduled to compete on the remainder of the card and the jockeys will determine if racing will proceed. If the majority of eligible jockeys agree not to continue, racing will be canceled. The stewards and/or management will monitor the procedure and announce the outcome. No horsemen, owners, or members of track management are allowed in the jockey's room during the voting process.

c. In the event that a sufficient number of jockeys vote to continue racing and a jockey who is scheduled to ride remains concerned about his/her safety, that jockey may take off of their scheduled commitments without repercussions from management, stewards and/or the state racing commission.

4. **Cold Weather:** All parties agree that racing may be canceled in the event that the **wind chill factor** is recorded at below (32 degrees) at the agreed upon times. A committee will meet at 11 a.m. that day with jockeys, trainers, stewards, and track management. No vote will be taken if the wind chill factor is above (32 degrees). A jockey may, however, take off mounts with no repercussions from management, stewards and/or the state racing commission.

5. **Hot Weather:** All parties agree that racing may be canceled in the event that the **heat index** is recorded at (105 degrees) or warmer at the agreed upon times. A committee will meet at 11 a.m. that day with jockeys, trainers, stewards, and track management. No vote will be taken if the heat index is below (105 degrees). A jockey may, however, take off their remaining commitments with no repercussions from management, stewards and/or the state

racine commission.

a. Other factors that may affect the weather during extremely hot days may include a breeze or lack of a breeze and if it is partly cloudy or if there are no clouds to shield the sun.
